CURATED BY DAVIDE TONELLI

La palette colori presenta alcune variazioni inaspettate che esprimono una rinnovata accettazione del colore e un bisogno di imprimere la propria personalità allo spazio, sempre più eclettico. I colori neutri si combinano con un rosso profondo dal forte carattere, un verde foresta che gioca sulla tradizione e un honey, una tonalità di giallo attenuata, che dona un'atmosfera nostalgica ad accenti decorativi, arredi e superfici. Non ci sono compromessi quando si usano questi colori: la loro profondità e il loro fascino consentono combinazioni accattivanti con innumerevoli nuances.

^{/EN} The colour palette has some unusual variations that express a renewed acceptance of colour and the need to impress our personality on our increasingly eclectic living spaces. Neutral colours blend with deep red with a strong character, forest green plays with tradition while honey, a shade of soft yellow, adds a nostalgic atmosphere to decorations, furnishings and surfaces. There are no compromises when using these colours: their depth and charm permit eye-catching combinations with infinite nuances.

^{/DE} Die Farbpalette weist einige unerwartete Variationen auf, die eine neue Akzeptanz der Farbe und das Bedürfnis, einem immer eklektischeren Raum die eigene Persönlichkeit aufzuprägen, zum Ausdruck bringen. Die neutralen Farben werden mit einem Tiefrot mit starkem Charakter, einem Waldgrün, das mit der Tradition spielt, und Honey, einem gedämpften Gelbton, der den Dekorakzenten, Einrichtungen und Oberflächen eine nostalgische Atmosphäre verleiht, kombiniert. Es gibt keine Kompromisse, wenn diese Farben eingesetzt werden: Ihre Tiefe und ihre Reiz ermöglichen ansprechende Kombinationen mit unzähligen Nuances.

^{/FR} La palette de couleurs présente différentes variations inattendues qui expriment une acceptation renouvelée de la couleur et un besoin de transmettre sa propre personnalité à l'espace, de plus en plus éclectique. Les couleurs neutres s'associent à un rouge profond au caractère fort, un vert forêt qui joue sur la tradition et un 'honey', une tonalité de jaune atténuée qui confère une atmosphère nostalgique aux éléments de décoration, aux ameublements et aux surfaces. Il n'existe pas de compromis lorsque ces couleurs sont utilisées: leur profondeur et leur charme permettent des associations captivantes aux innombrables nuances.
